. Ganslaus.
. 3. e. f. . Apis.
Bienenlaus.
. 4. . Alaudæ, Schrank.
. Lerchenlaus.

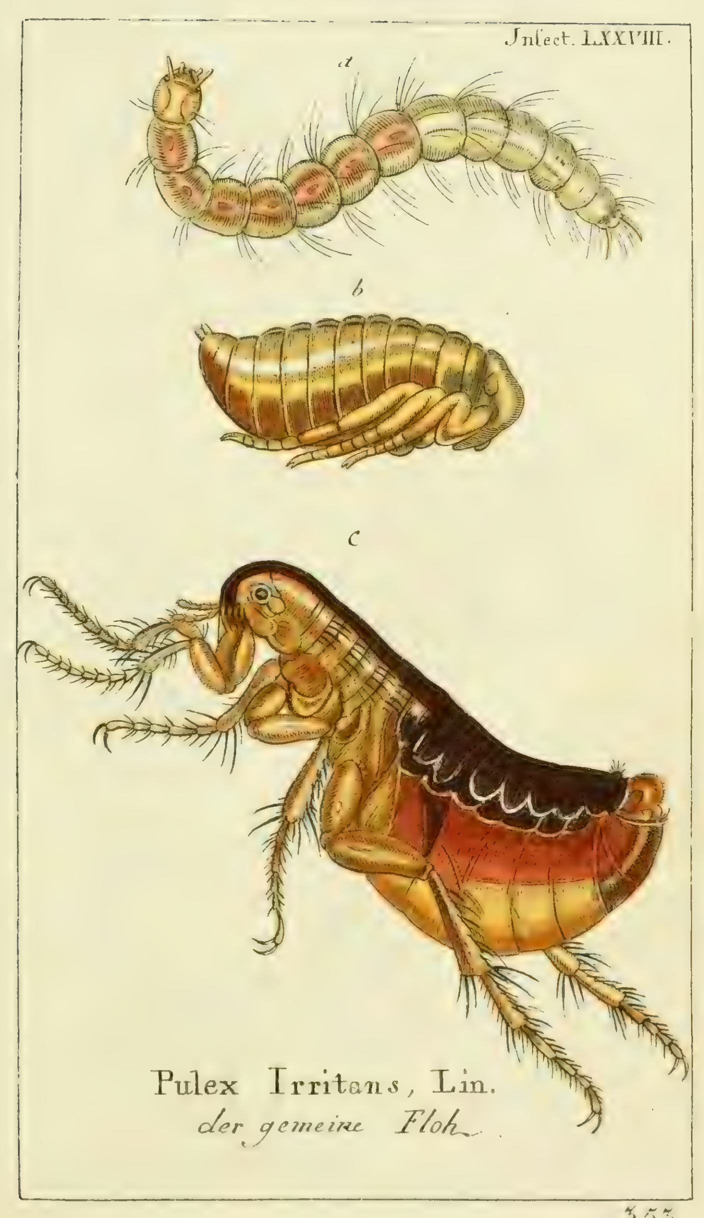

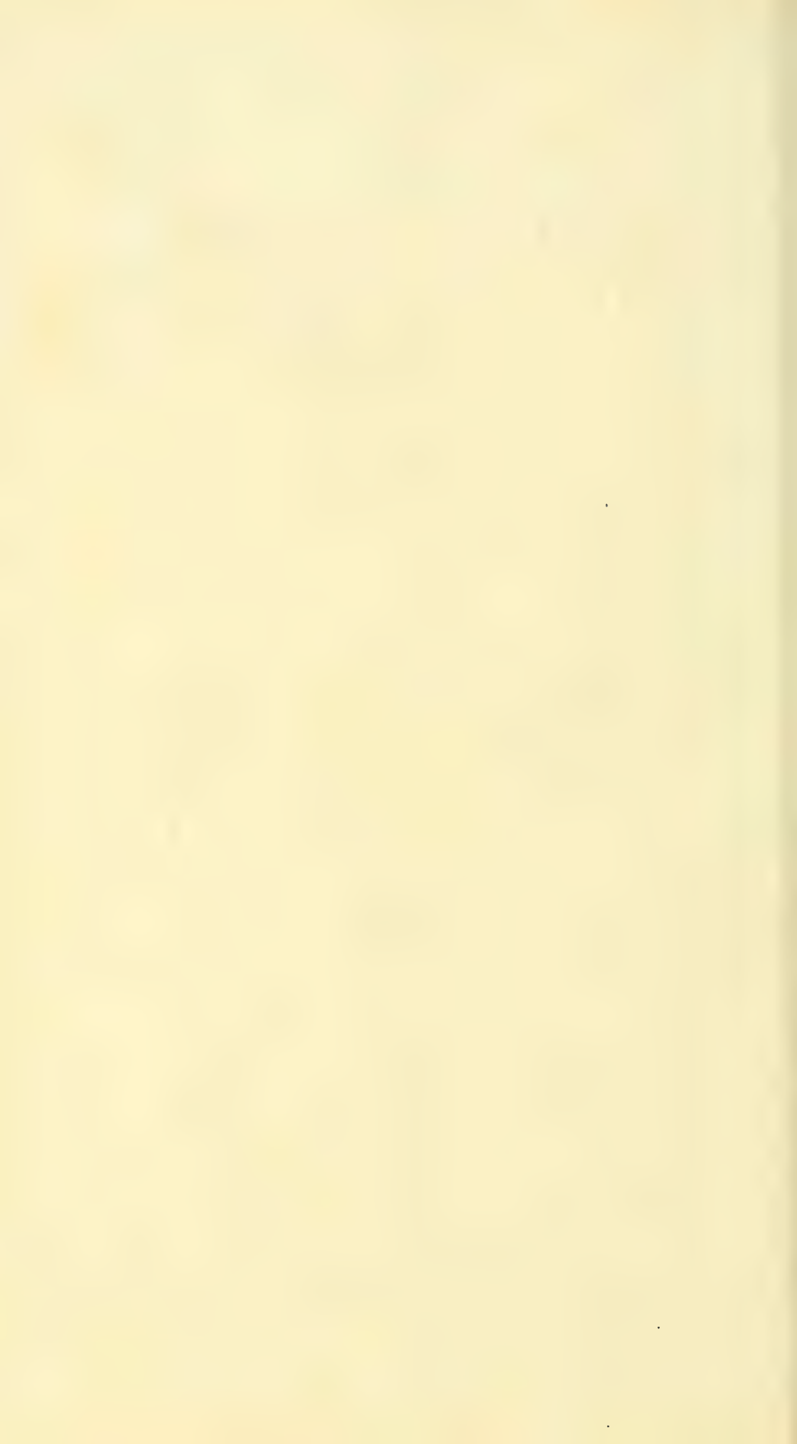

Insect. LXXVIII.
a
b
c
Pulex Irritans, Lin.
der gemeine Floh

Fig. 1 *a b* Acarus Marginata, Sulz. *die gesäumte Milbe*
2 . „ Siro , Lin. . *Käsemilbe*
3 *c d* „ Baccarum , . . *Johannisbeermilbe*
4 *e f* „ Coleoptrarum , . . *Käfermilbe*
5 . . „ Aquaticum , . . *rothe Wassermilbe*

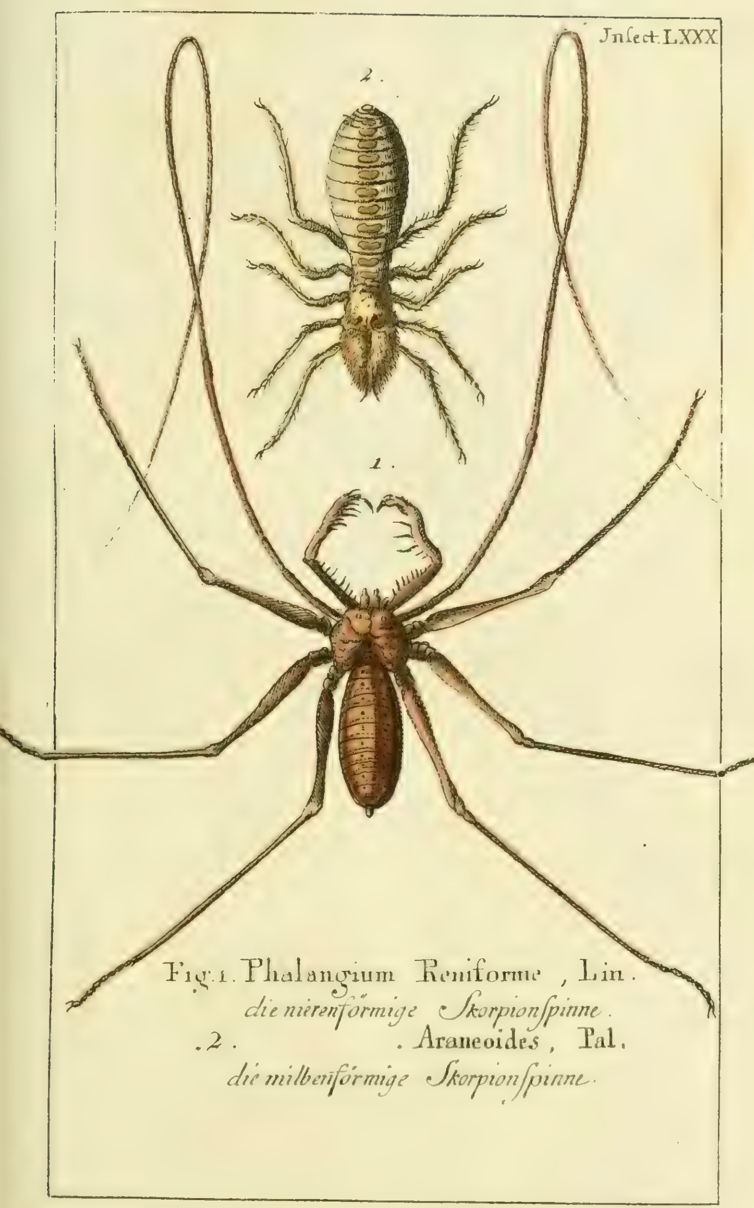

Fig. 1. Phalangium Reniforme, Lin.
die nierenförmige Skorpionspinne.
. 2. . Araneoides, Pal.
die milbenförmige Skorpionspinne.

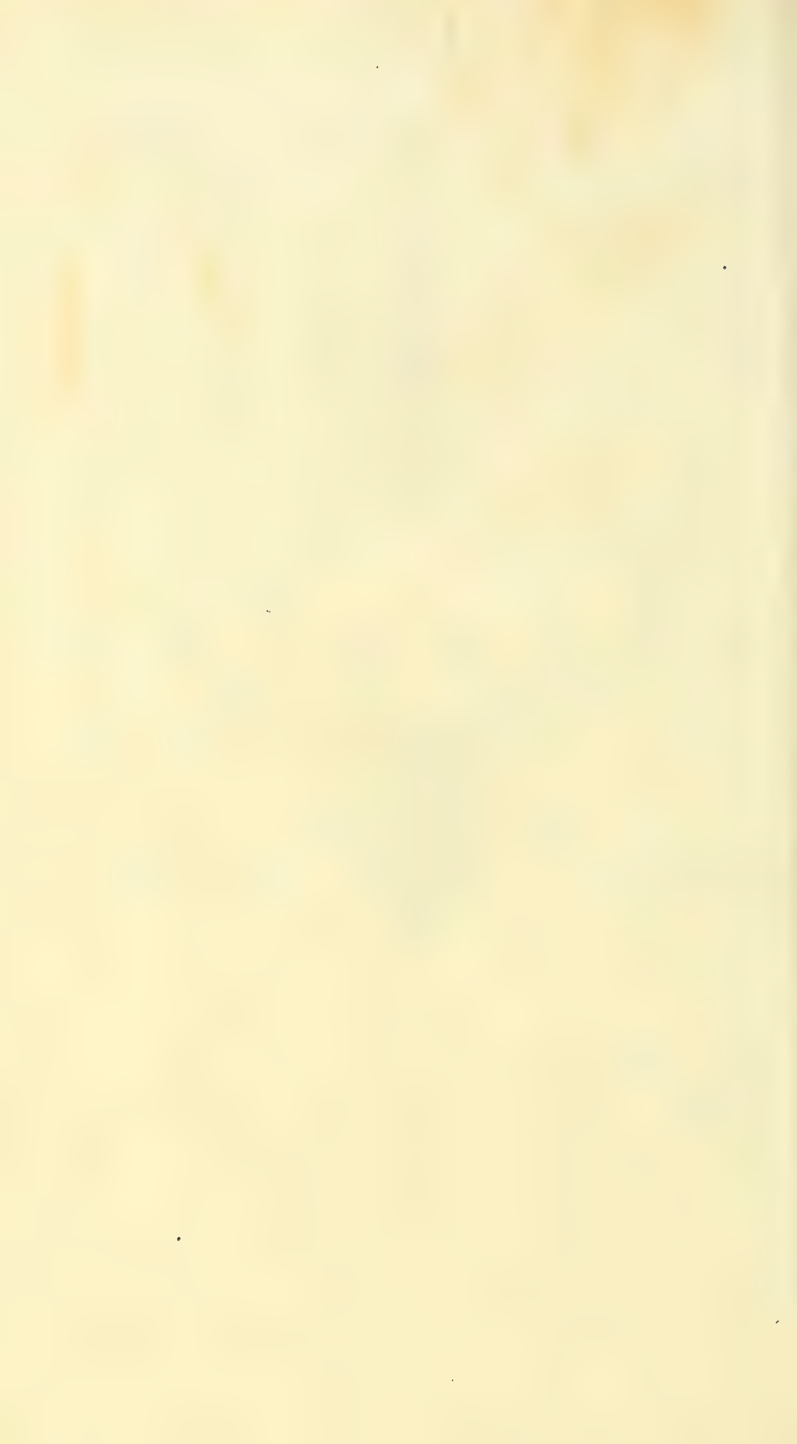

Fig. 1. Aranea Avicularia, Lin.
der Colibrifresser.
. 2. . Tetracantha, .
die. 4 dornige Spinne.

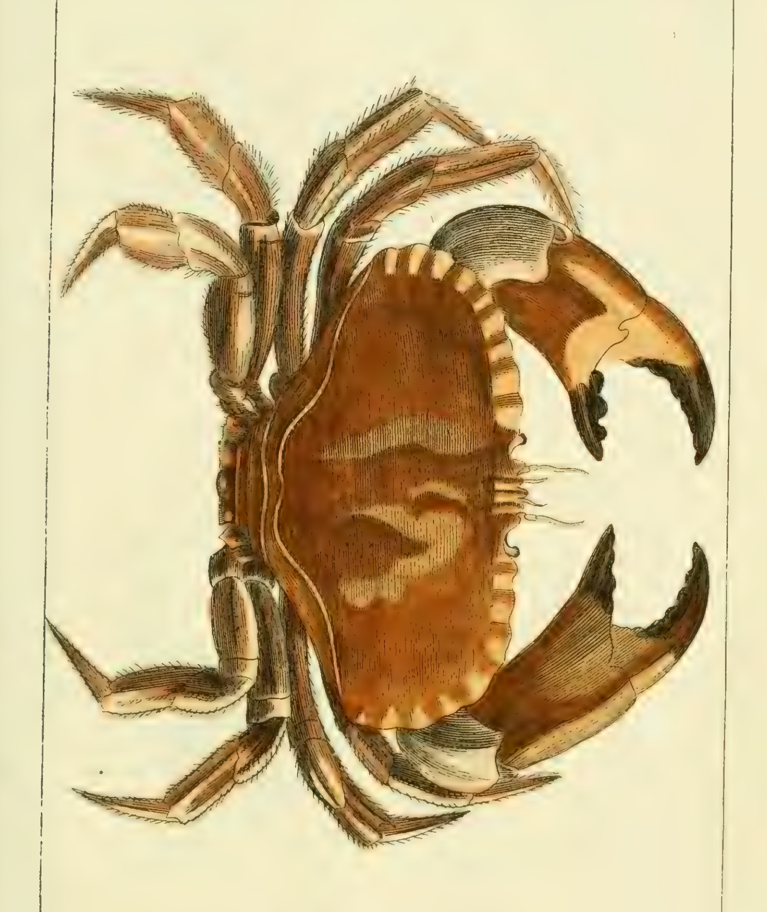

Insect LXXXII A1.

Cancer. Ruricola Lin. *Die Landkrabbe.*

Cancer Pagurus, Lin.

der Pagurus.

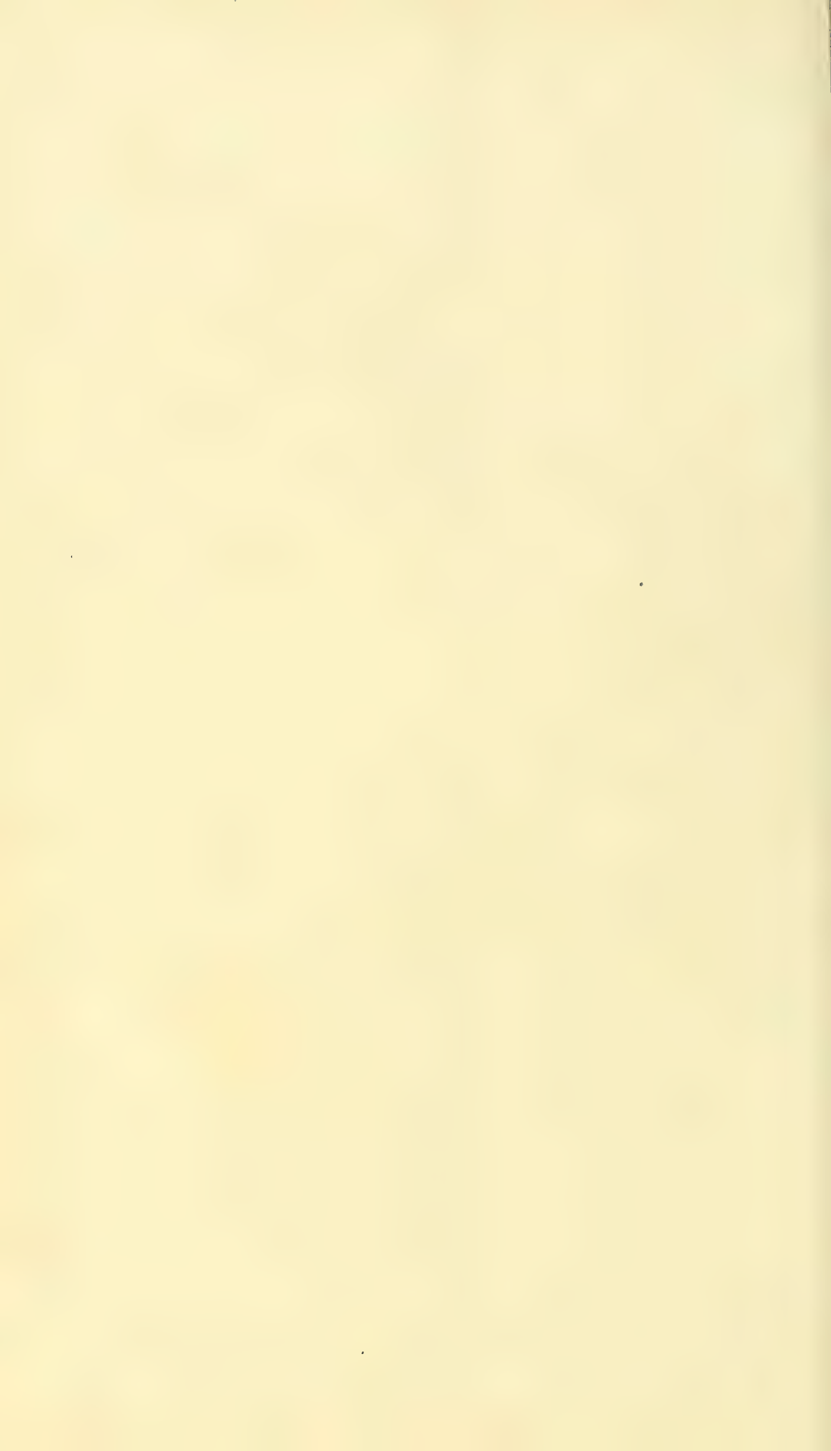

1.

2.

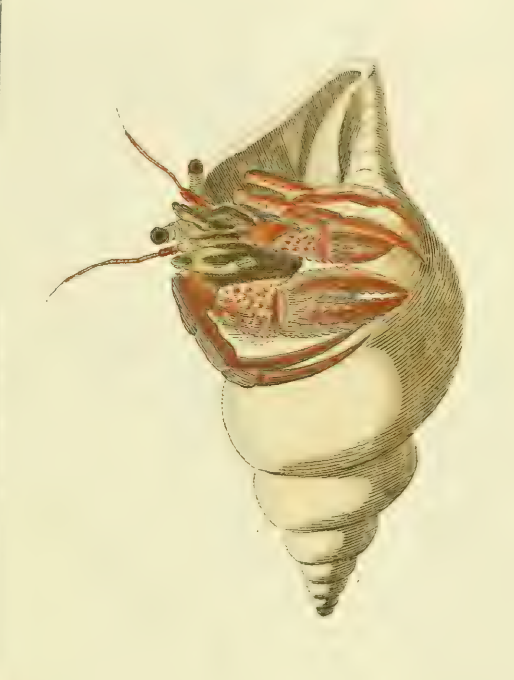

Fig. 1. Cancer Cylindricus Herbst.
die Cilinderkrabbe.
. 2. . Rostratus, Lin.
die Schnabelkrabbe.

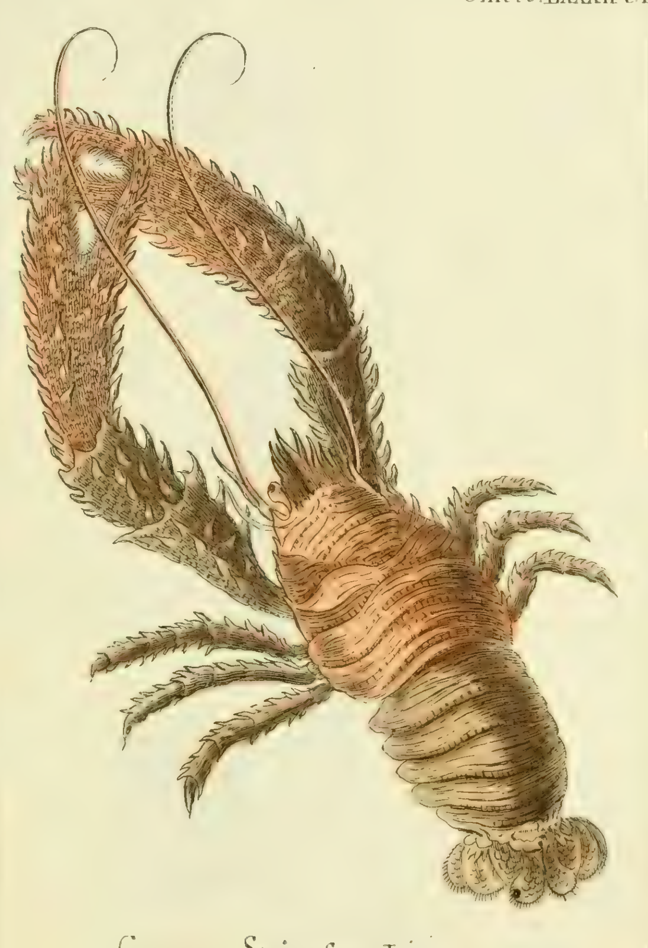

Cancer Maja, Lin.
die Teuffelskrabbe.

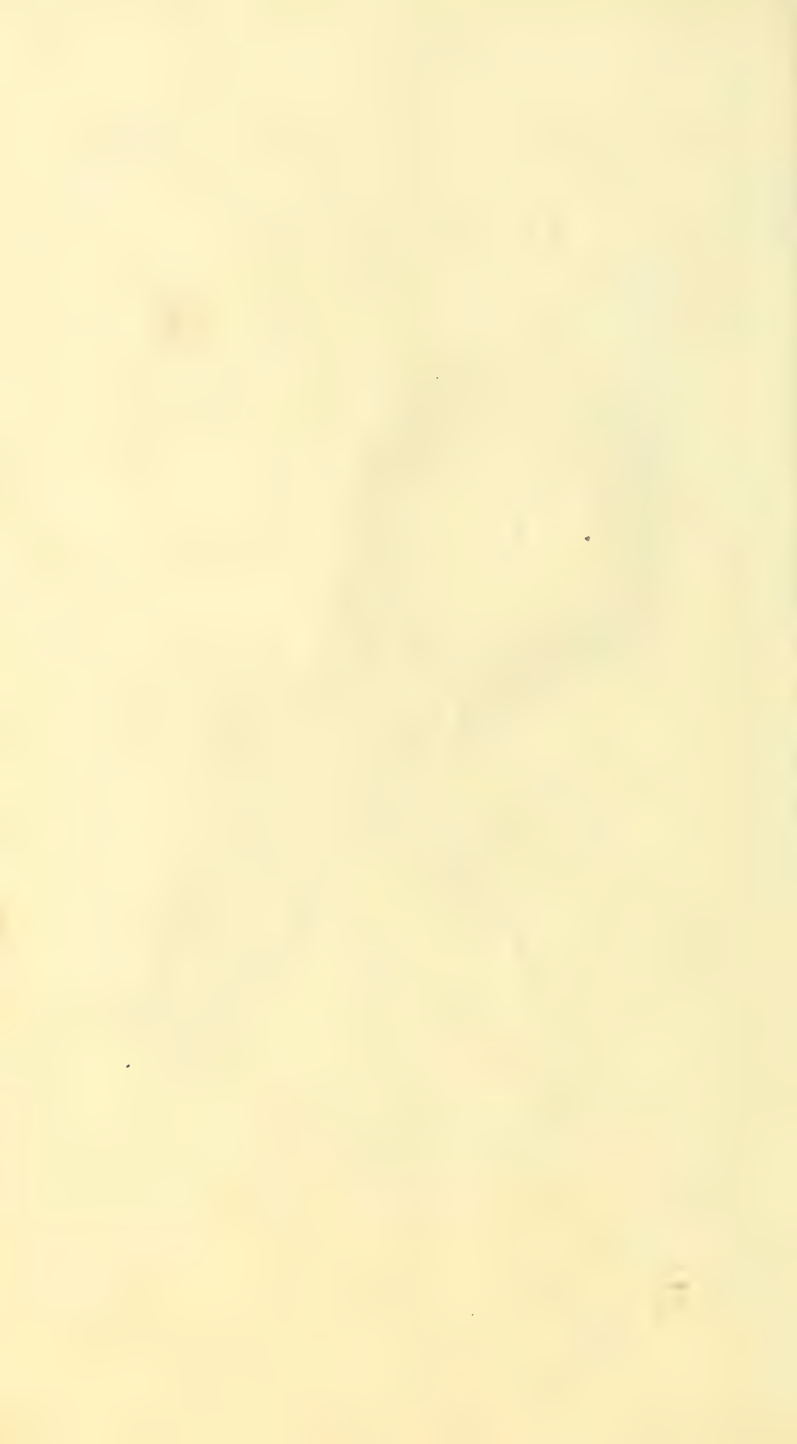

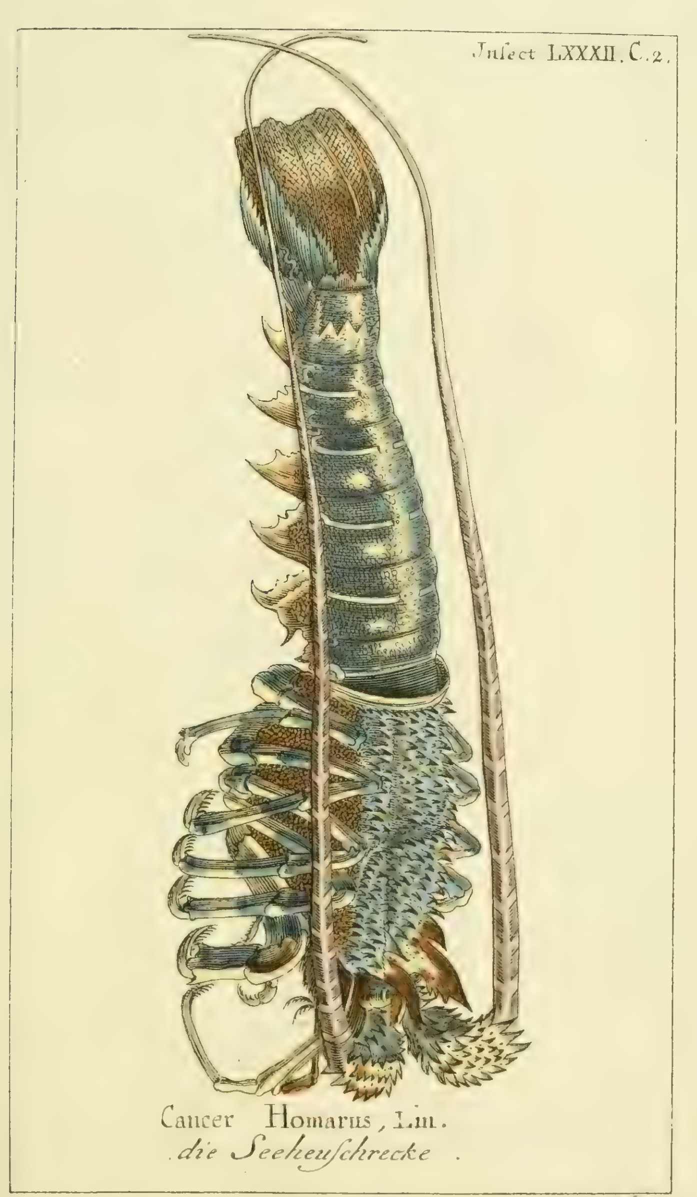

Cancer Bernhardus, Lin.
der Bernhardus.

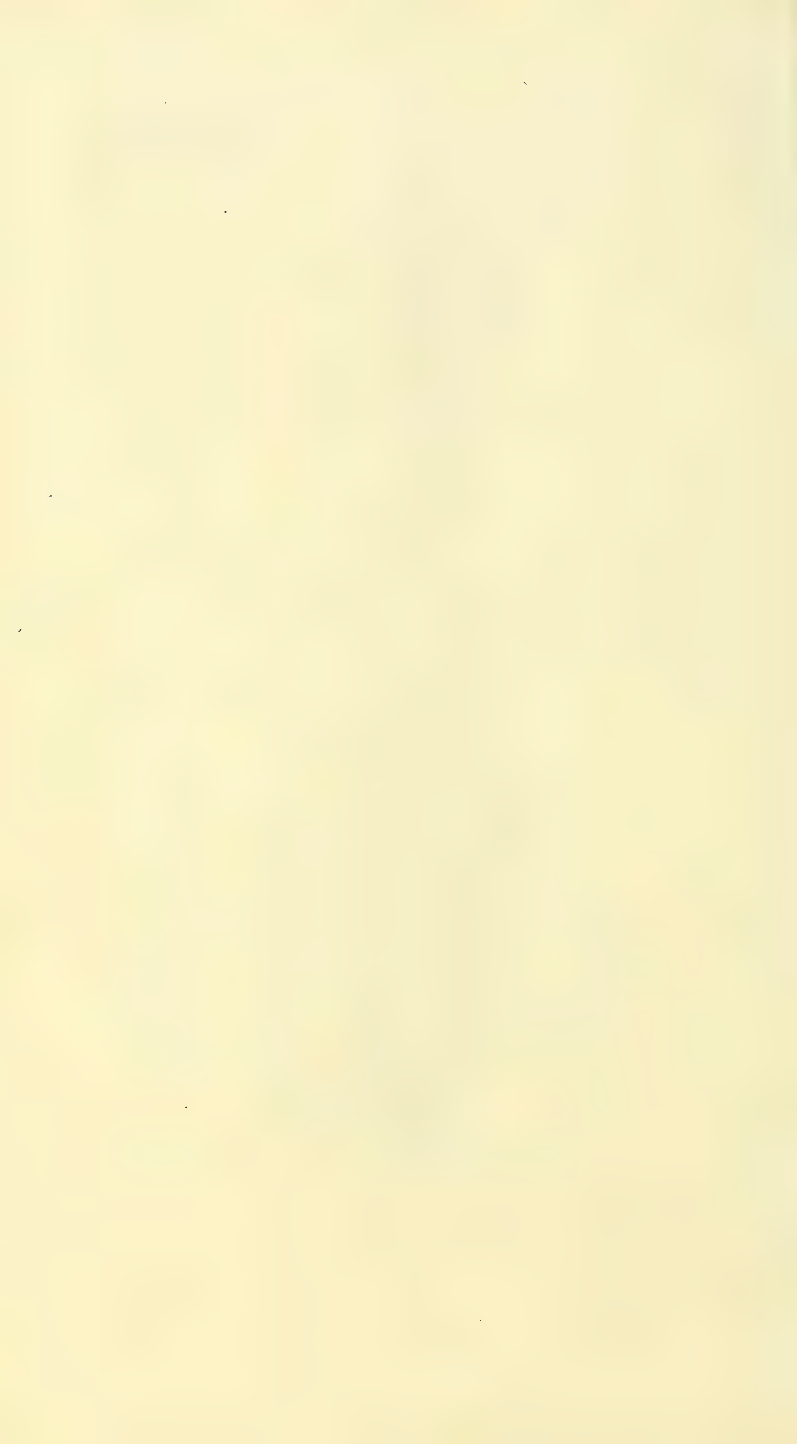

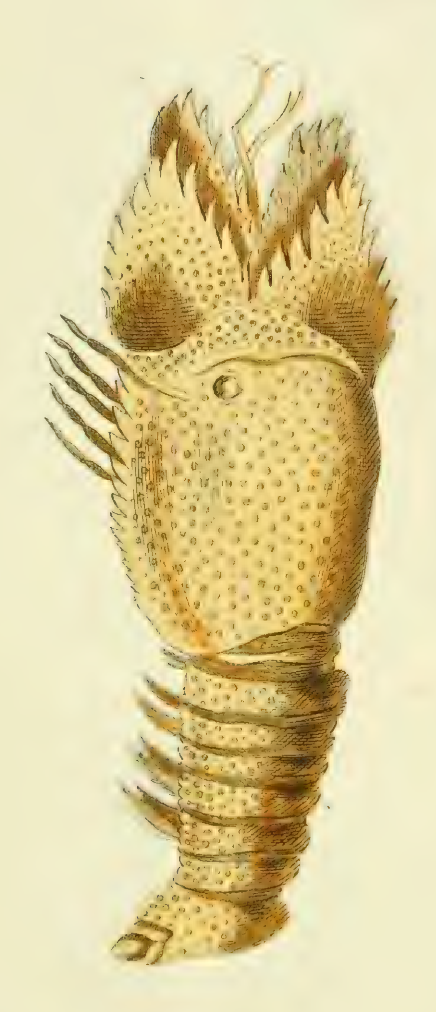

Cancer Strigosus, Lin.
der Runzelkrebs.

Cancer Homarus, Lin.
die Seeheuschrecke.

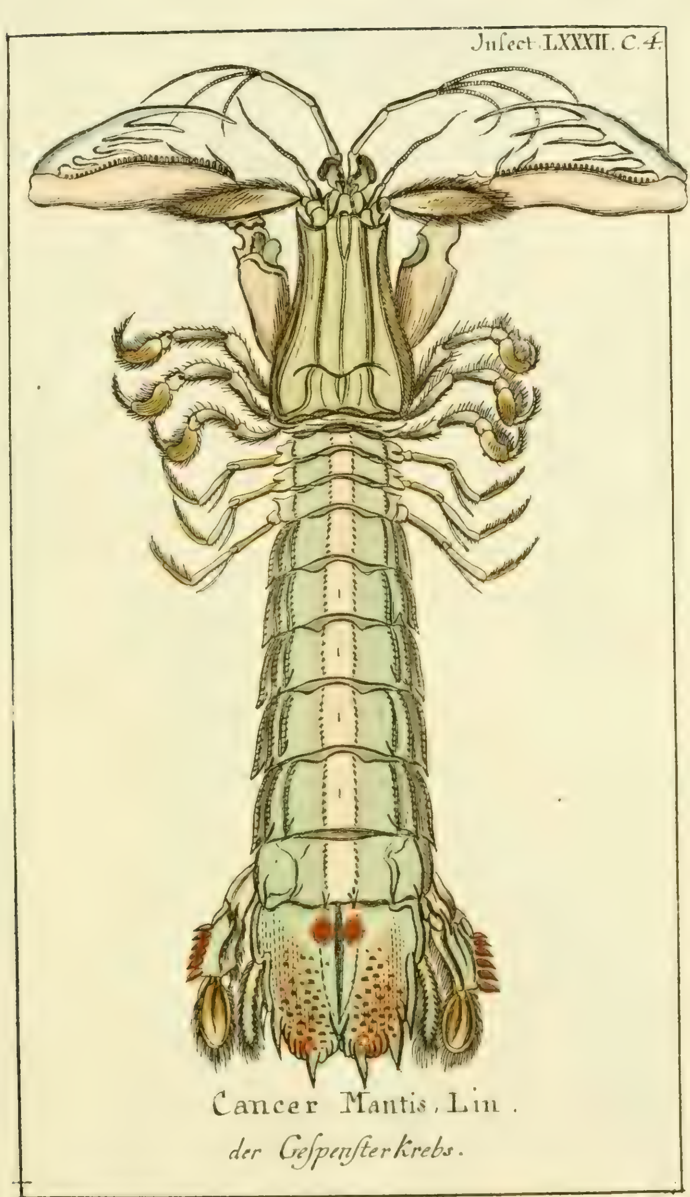

Cancer Arctus, Lin.

der Bärenkrebs.

Cancer Mantis, Lin.

der Geſpenſterkrebs.

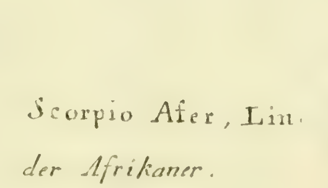

Cancer Bamffius, Penn.

der Bamfius.

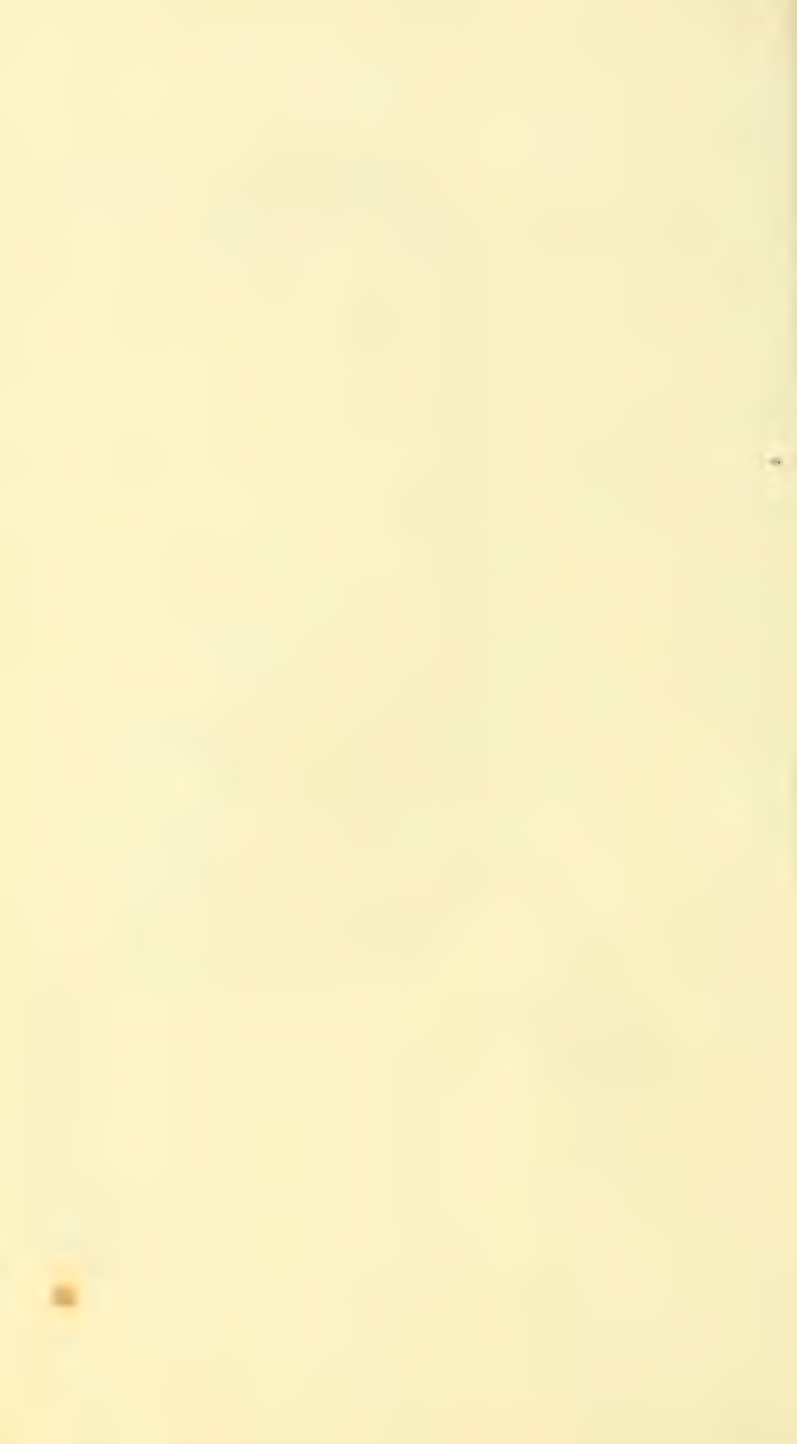

366.

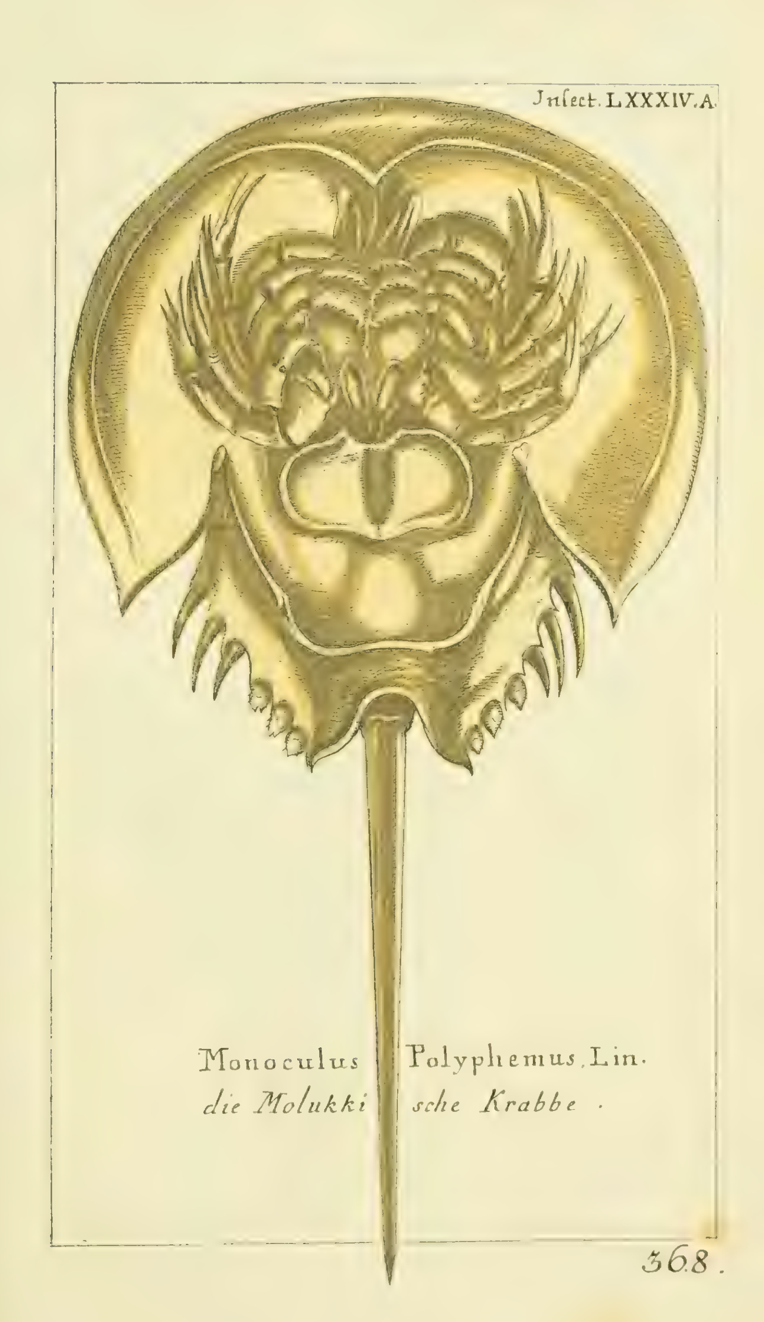

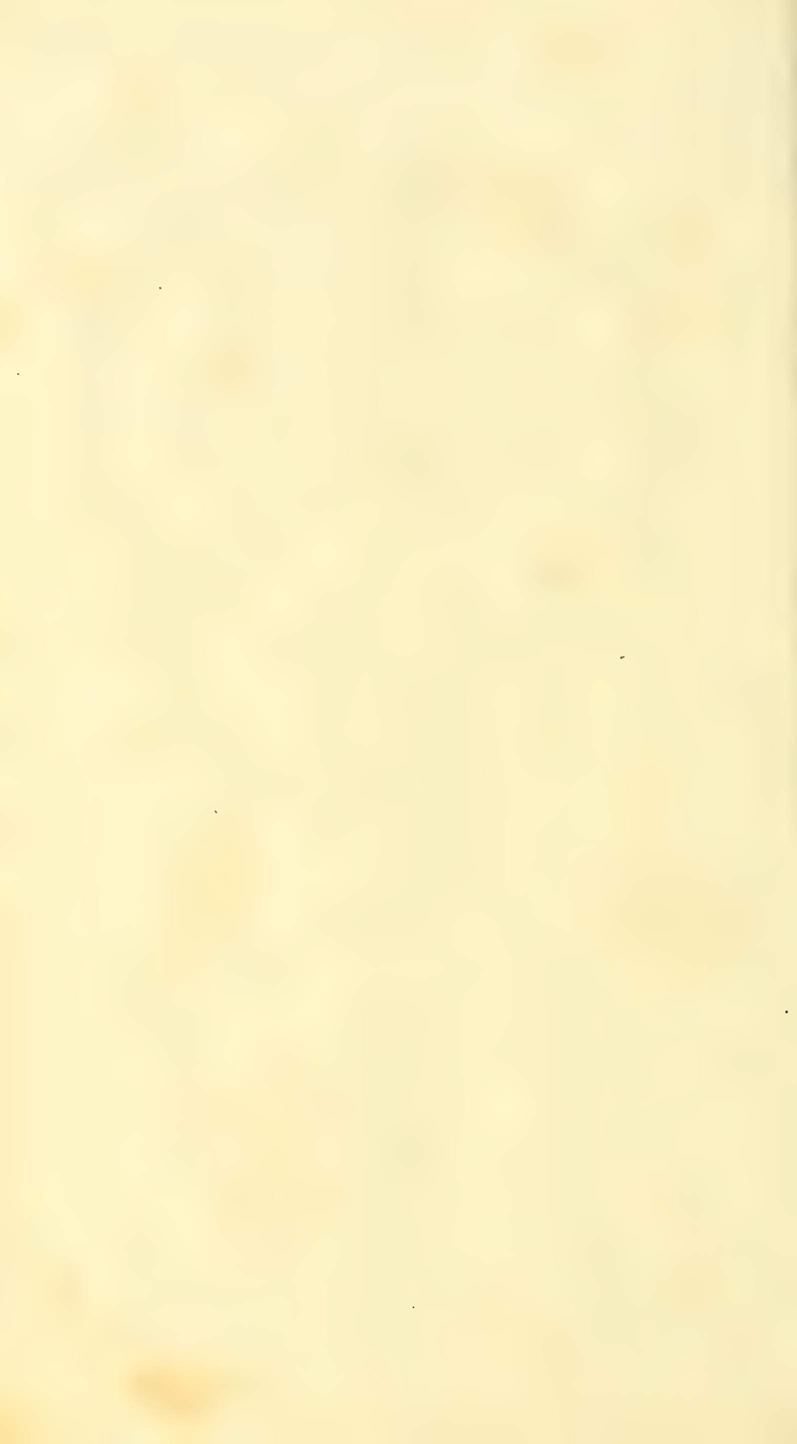

Scorpio Afer, Lin.

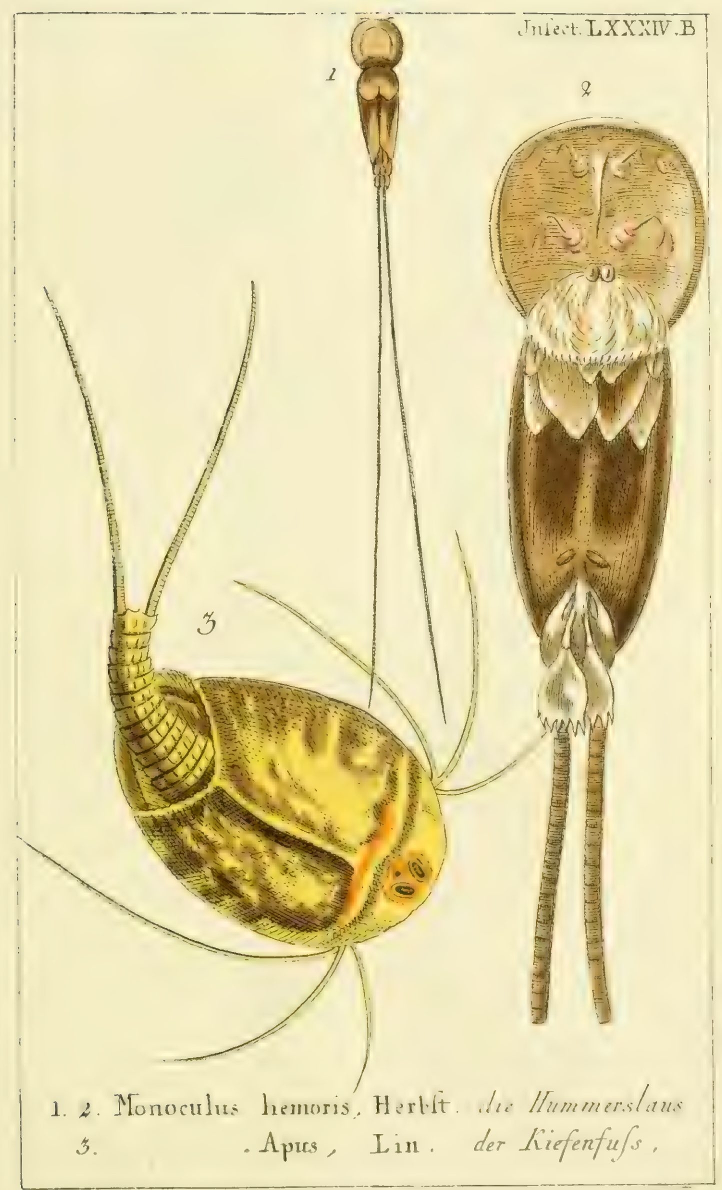

der Afrikaner.

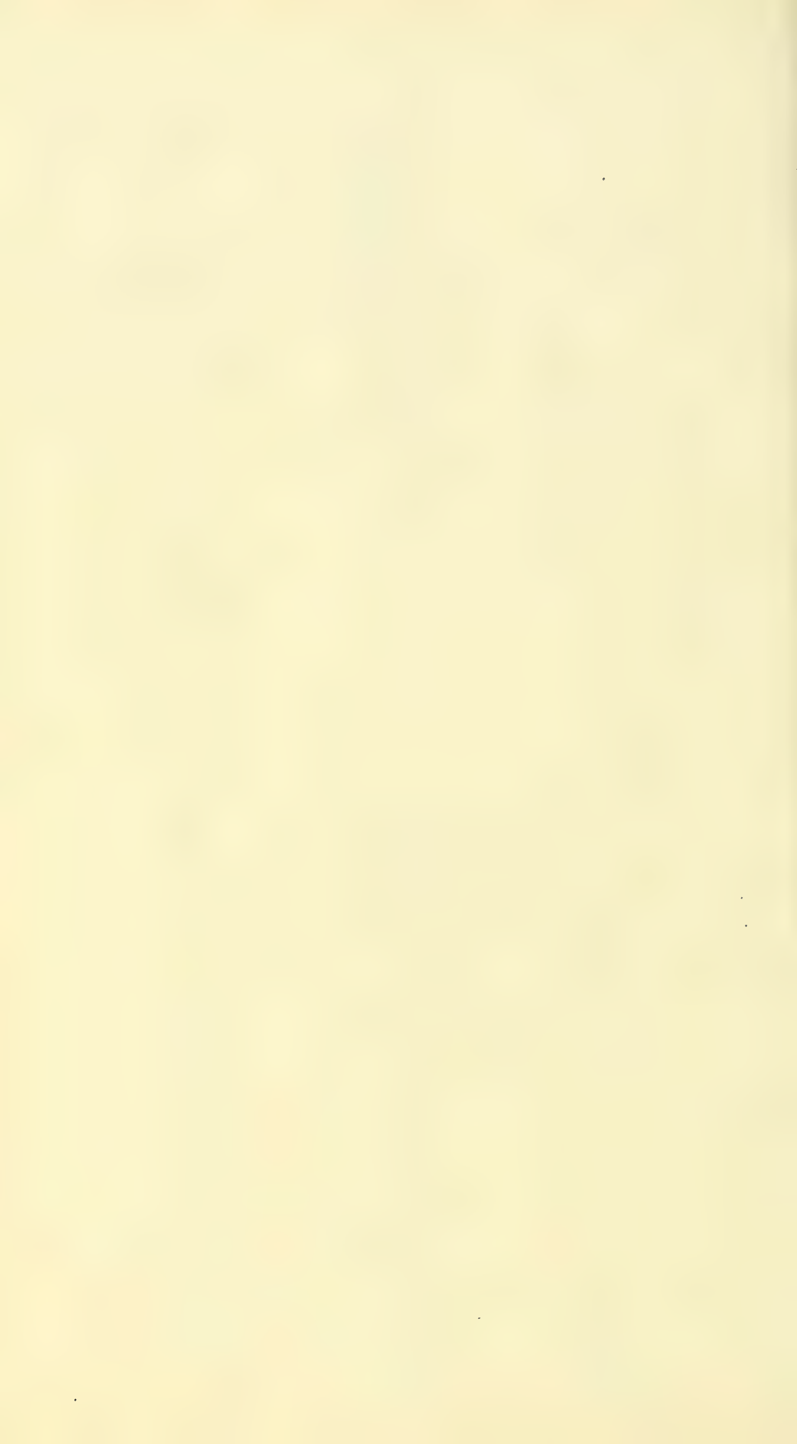

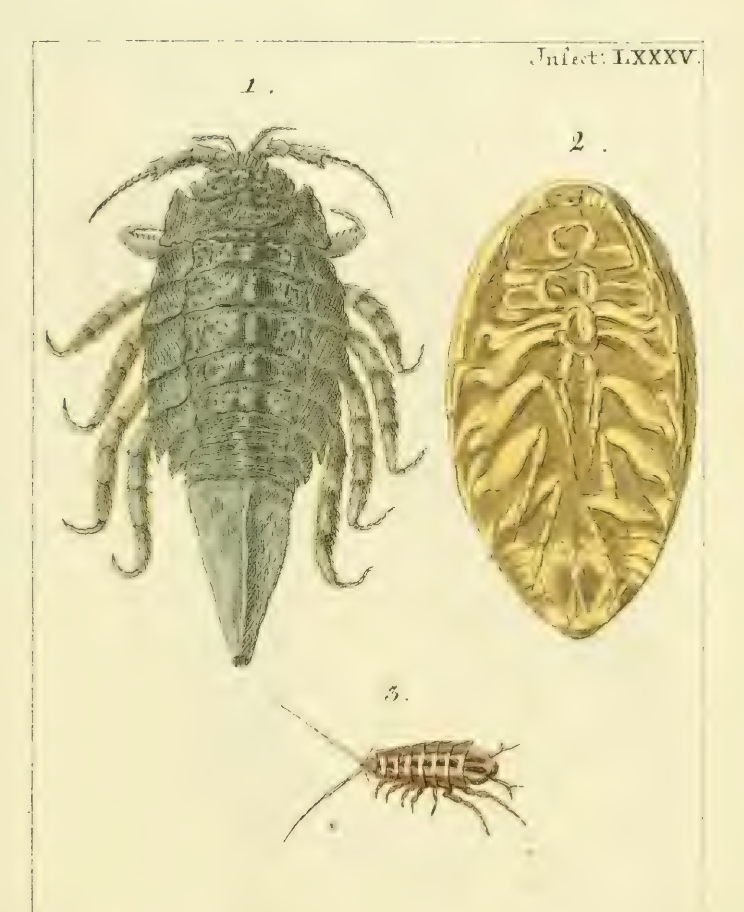

Monoculus Polyphemus, Lin.
die Molukkische Krabbe.

1. 2. Monoculus hemoris, Herbst. *die Hummerslaus*
3. . Apus, Lin. *der Kiefenfuss*,

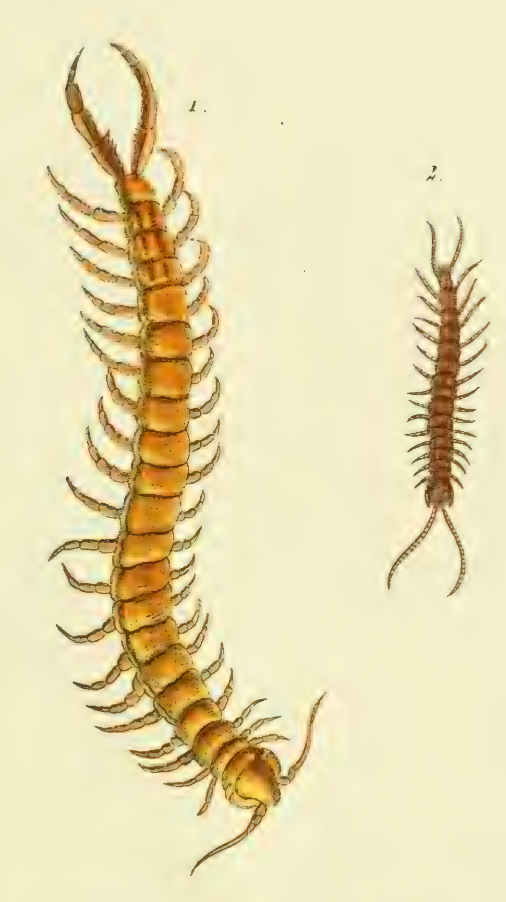

1. Oniſcus Entomon, Lin: *der Spieſswurm.*

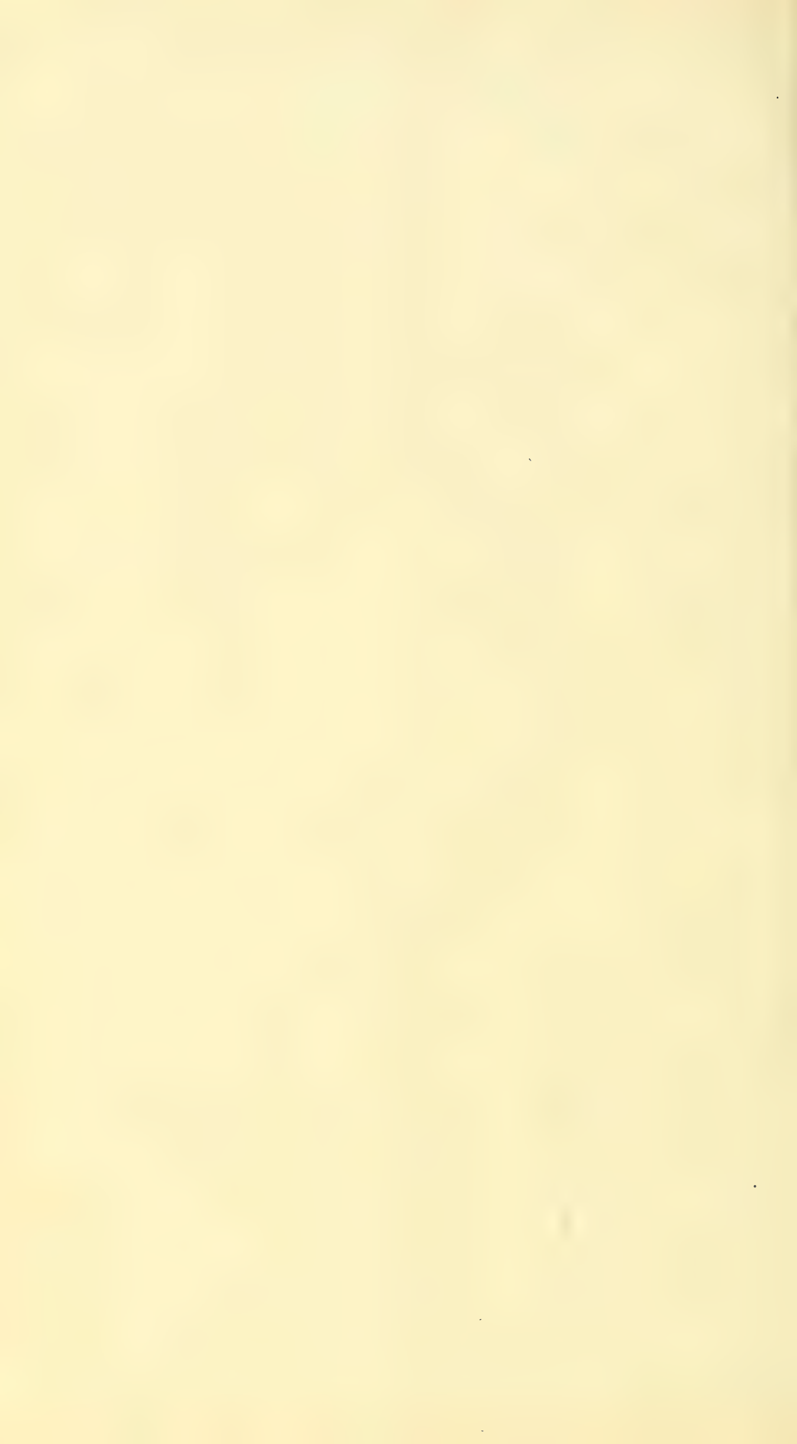

2. „ Pſora, „ *die Seewanze.*

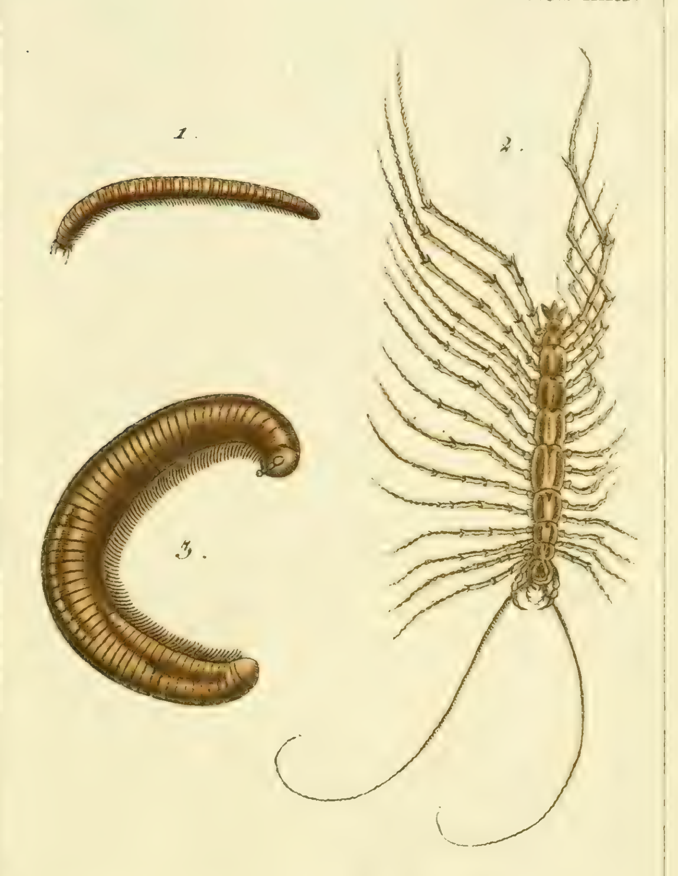

3. „ Aquaticus, „ *der Waſſeraſsel.*

1. Scolopendra Morsitans, Lin: *der indianische Asselwurm.*
2. . Forficata, . . *Scheerenassel.*

1. Julus Terreſtris, Lin: *der Erdvielfuſs.*
2. , Araneoides, Pallas. *der Spinnenartige Vielfuſs.*
3. , Jndus, Lin: *der Jndianer.*
